

Tennis Rules

Retirement or Disqualification:

Head to Head Matchups:

Two full sets must be completed for wagers to stand. Less than 2 sets completed - all wagers will be considered void.

Delay or Suspension:

- If a tennis match is completed, all wagers stand as written. A delay in the start of a match will not affect the standing of wagers, nor will a suspension, as long as play is resumed and the match completed within a reasonable amount of time.
- In the event a match does not go the specified number of sets, and the match is shortened by tournament officials, the leader determined to be official by tournament officials shall be the winner.

Tennis Futures :

All futures bets have action. Should a player withdraw before a tournament begins, bets on that player to win the tournament lose.
