A tie on a three, or more, team teaser reduces the teaser to the next lowest payoff. Example: a four teamer becomes a three teamer, etc.

A tie and a loss on a two team teaser is a loss.

A tie and a winner on a two team teaser is no action.

With us, you can tease a game to the total or a total to a total. You can also tease a basketball game to a football game!

TIES DO NOT LOSE! A tie on a three or more team parlay reduces the parlay to the next lowest payoff. A tie on a two-

teamer with a winner is paid at 9/10 odds.

Maximum aggregate payout on any identical parlay is \$60,000.

Money Lines

We have money lines and halftime lines on selected NBA and college games.

First Half Lines And Halftime Lines

You can wager on the first half of most pro and selected college games, including sides and totals. Half time lines are also available on most pro and selected college games. Half time lines include overtimes.

Future Bets

We offer lines on total season victories by any NBA team and odds to win the NBA championship and conference titles.

Official Game

All sporting events must be played on the date and site scheduled unless otherwise specified. If an event is postponed, suspended and/or rescheduled, this automatically constitutes "no action."

In order to have action in Basketball (Pro), the game must go 43 minutes of play, and in Basketball (College), the game must go 35 minutes of play.
